**Note:** When sending quote requests, please assist us with Actual weight and dimensions of the shipment. Charges can either be based on Actual weight or Volumetric weight depending on which one is greater. Volume weight = (Length x Breadth x Height) / 2000

**Export Documentstion charges**

In a case where we process export documents on behalf of a client, an amount of R450 or the equivalent of it in ZMW will be charged

**International collections charges**

Where Icypeed is engaged by a client to collect shipment from the client's supplier, a fee for collection will be charged based on the distance covered to and from the supplier's premises.

For Quotations, send request to [info@icypeed.com](mailto:info@icypeed.com)
