Scandinavian minimalism at its finest. Integrated wood storage and clean, understated lines bring the warmth of a Norwegian cabin into your home. At 9 kW and 78% efficiency, the Nordic Norway comfortably heats spaces up to 90 m<sup>2</sup>, with a generous viewing window and a 6-hour burn per load.

#### Nest & Flame · Fine Hearths

**Nordic Norway** — quality that lasts. Specifications subject to change. Installation by a qualified technician recommended.
