Combustion Type	<b>Slow combustion, wood</b>
Configuration	<b>Freestanding, integrated log store</b>

A freestanding wood-burning fireplace built around a three-sided panoramic glass view that turns a real fire into the centrepiece of any room. The squared, architectural form and deep matt-black finish suit a modern apartment or a country home alike. With 9.1 kW output and 77% efficiency, it comfortably heats spaces up to 90 m<sup>2</sup>, while an integrated log store keeps wood within easy reach.
